## Smoothies

Convenience and portability let you enjoy ready-to-eat, real fruit frozen smoothies anywhere!

# Bring Your Customers the FRUCHI™ Smoothie Experience!

FRUCHI™ is proud to introduce the country's first and only ready-to-eat, real fruit frozen smoothie! FRUCHI™ Smoothies taste great, are made with the highest quality ingredients and give your customers a grab and go option they will love.

## Customers love FRUCHI™ Smoothies because they provide:

- A full serving of fruit
- "All Natural"
- 100% RDA of Vitamin C
- Little or no Sodium, Fat or Cholesterol
- Antioxidants and other essential vitamins and nutrients
- Only 130-140 calories per large 8 ounce pouch

## You will want them for your operation because they save time and money!

- No Prep required--Grab'n'go convenience for you and your customers
- Extended shelf life—8 to 12 months
- Eat right from the pouch—no messy and expensive cups, napkins, spoons or straws
- No food waste for your food service operation
- Packaged in environmentally-friendly, sustainable materials

### FRUCHI™ Berry Blast

*Flavor-Packed and Bold*

Antioxidants abound and blueberries lead the way in this powerful dark berry blend.

### FRUCHI™ Island Splash

*A Tropical Delight*

Escape to the Caribbean with this refreshing mix of oranges, peaches and mangos with our all-natural fruit juice blend.

### FRUCHI™ Raspberry Rush

*Rush Says it All*

Zing your taste buds with this tangy blend of raspberry juice, strawberries, blackberries and other power-packed juices.

### FRUCHI™ Strawberry Banana

*A Timeless Favorite*

Strawberries and bananas combine with our 100% all-natural fruit juice blend to make this one unforgettable smoothie.
